

# Say Hello to Maverick! Your New Digital Banking Experience!

## Discover the new features & improved functionality that Maverick has to offer!

**Simplified User Experience-** Designed with you in mind, experience the new modern, user-friendly interface for an enhanced experience both online & in our mobile banking app. Use your existing username and password to seamlessly access your accounts.

### New Look with Improved Functionality

- Quick transfer ability right from the home screen.
- Pending transactions and transaction history are now separate.
- All features are just one-click away.
- Manage all external and unlinked accounts on one page.
- New collapsible transaction history for quicker access to your transaction details.

### Mobile

- Improved, simplified layout and navigation within the app for your convenience.
- New quick access navigation menu to access accounts, transfer, bill pay, mobile deposit & messages easily!
- Make mobile check deposits quickly and easily.

### E-Statements

- Sign up for e-statements either online or within our mobile app. By signing up for e-statements you'll get to experience:
  - Better security- eliminate the risk of your mailed statements being lost or stolen.
  - Save time- access your statements immediately. Don't wait for snail mail to deliver your paper statements!
  - Better accessibility- have the ability to access your statements anywhere you can access online banking.
